Distributed to over 11,000 readers with the December 2018 issue

**Sign Up Deadline is Wednesday, August 29th, 2018**

**USHIO GRO**  
professional grade horticulture lamps

**USHIO Professional Grade Lamps**  
Professional growers will not use just any lamps to grow their crops. They require specially designed lamps to maximize their growth and produce the highest quality.

**Full page ad or image space**

- High CRI
- High PAR
- High PPFD
- High Light Penetration
- Long Average Lifetime Energy Consumption
- Flexible Lamp Design to Compact Fixtures
- High PAR Output throughout the Growth Cycle

**USHIO**
